

TRINITY LUTHERAN SCHOOL

Good morning TLS Families,

We had another good week of school- five full school days worth! I promise I will make this the last time (for a few weeks at least!) I say this, but thank you for sharing such sweet children with us. The joy that I encounter throughout my day at TLS is just wonderful.

This upcoming week marks the first week of our TLS fall sports teams competing against their fellow Peninsula Independent Athletic League (PIAL) members. Best of luck to our Volleyball (Monday @ 3:45 @ home) and Soccer teams (Tuesday/Thursday) this week! And we can't forget our TLS Cheer team who will be cheering on our soccer team at their matches this week.

We always have extra masks for our students who forget theirs at home, but it's always best if your student has their own mask. Students seem to prefer their own masks for comfort and fit reasons. Many thanks for confirming your student is well for school each morning. That simple (yet important!) confirmation is most helpful to us. We also need your student's personal inhaler, epipen, or medication if their personal health care plan calls for that.

Finally- look for our newly updated TLS PTO School Spirit store link to be released this week. I've gotten a sneak peak of the new gear and it's great!

Enjoy the weekend,

Kevin

Monday September 20th

Free TAG Day

TLS Volleyball vs. HRA (home): 3:45 PM

Cross Country practice @ Riverview Park: 6 PM

Tuesday September 21st
