

# 2026 TLS Summer Camp

**\*\*Camps for 5-years-old through 5th Grade \*\***

*Click on blue links to Register*

**Summer Scientists (May 26-29):** Put on your lab coats and get ready to experiment! Our Summer Scientists will explore the wonders of science through hands-on experiments, exciting discoveries, and a whole lot of curiosity. From bubbling reactions to creative problem-solving, campers will test, tinker, and think like real scientists, all while having tons of fun!

**Nature Explorers (June 1-5):** Grab your magnifying glass and sense of adventure! Nature Explorers will spend the week discovering the great outdoors through hands-on activities, nature walks, and creative exploration. From learning about plants and animals to observing the world right outside our door, campers will connect with nature, spark curiosity, and develop a love for God's creation, all while having fun!

**Creative Campers (June 8-12):** Let your imagination run wild! Creative Campers will explore a variety of art forms using paint, clay, mixed media, and more. Campers will create unique masterpieces, experiment with colors and textures, and express themselves through hands-on projects. This camp is all about creativity, confidence, and fun—where every artist is encouraged to try new things and celebrate their one-of-a-kind creations!

**Young Chefs (June 15-19):** Calling all junior chefs! In Young Chefs Camp, campers will roll up their sleeves and head into the kitchen to learn basic cooking skills, simple recipes, and kitchen safety. From measuring and mixing to tasting their tasty creations, kids will build confidence, teamwork, and creativity while whipping up delicious fun. Get ready for hands-on cooking, big smiles, and lots of yummy memories!

**Animal Planet (June 22-26):** Calling all animal lovers! Campers will explore the amazing world of animals, from farm favorites to wild creatures and everything in

between. Through hands-on activities, games, crafts, and animal-themed fun, kids will learn about habitats, behaviors, and how to care for God's creatures. Get ready for roaring laughter, wild discoveries, and paws-atively unforgettable fun!

**Sports Enthusiast (July 6-10):** Get ready to move, play, and cheer! Sports Enthusiast Camp is perfect for kids who love staying active and trying new games. Campers will learn teamwork, sportsmanship, and basic skills through a variety of sports, challenges, and friendly competitions. Whether running, throwing, kicking, or cheering on friends, this camp is all about having fun, building confidence, and playing with heart!

**Jurassic World (July 13-17):** Step back in time and into a prehistoric adventure! Jurassic World Camp invites campers to explore the age of dinosaurs through hands-on activities, games, crafts, and fossil fun. From digging for "dino bones" to learning about different dinosaurs and their habitats, kids will roar with excitement while discovering, imagining, and playing their way through this dino-mite week!

**Christmas in July (July 20-24):** Who says holiday fun only comes in December? Christmas in July Camp brings all the magic of the season to the summer! Campers will enjoy crafts, games, songs, and festive activities that celebrate the joy of giving, creativity, and holiday cheer, all under the sunny skies. Get ready for jolly laughs, sparkling fun, and a summer full of merry memories!

**Beat the Heat (July 27-31):** Stay cool and have a blast! Beat the Heat Camp is full of water games, outdoor fun, and exciting activities designed to keep campers laughing, moving, and refreshed all summer long. From splashy challenges to team games, this camp is all about staying active, making friends, and turning up the fun while keeping cool!
